carl gustav jung and Alchemical Studies (Collected Works of C.G. Jung Vol.13):

0 of 0 review helpful Awesome as usual with Jung By Customer What can one say As always Jung delivers an outstanding study of the complex and little known world of alchemy and does so in a very professional and synthetic manner that allows one to approach the subject seriously and without prejudice As many of his great works this one is full of references and quotes which expose the value of alchemy and archetypal symb Five long essays that trace Jung s developing interest in alchemy from 1929 onward An introduction and supplement to his major works on the subject illustrated with 42 patients drawings and paintings This volume is a great book and it offers something of a prelude to Jung s monumental Psychology and Alchemy Mysterium Coniunctionis and Aion It is a book that should be read slowly to absorb its many meanings M D Medical News
